

Noelia García

Head of Sustainability ISO

Noelia García Nebra is ISO's Sustainability Officer, in charge of promoting ISO's commitment to the UN SDGs. Previously, Ms. García worked in ISO's capacity building unit where she focused on issues related to standards and public policy, good standardization practices in least developed countries and supporting the DEVCO Secretariat.

As ISO's gender focal point, she coordinates the implementation of the Gender Action Plan and advises the Secretary General on gender equality issues.

Noelia García has 15 years of professional experience in international organizations carrying out technical cooperation projects in developing countries in the areas of trade, investment, and SME development.
